MEMORANDUM FOR: [REDACTED]

SUBJECT : ACDA's Proposed Study (Attached)

1. I passed on to Kiefer and Alexander your advice regarding subject, i.e., that the material they seek exists in various published studies but that their classification presents a problem. Mr. Alexander seems to be the only person in Economics Bureau with full clearances (see attached list of ACDA clearances).

2. Alexander will want someone to take the data from existing studies and make up a report responsive to their requirements. The matter can probably wait now until after the new year. But eventually a meeting with Alexander, and possibly Kiefer, should be arranged with ORR officers. With the published studies before them, the next step could be discussed in a practical way.
